

SOUL TO SOUL OUTREACH

NEWSLETTER

Soul to Soul Outreach Inc works to meet the needs of the homeless and indigent through advocacy, connection to resources, and spiritual guidance. We strive to show love and compassion by being the hands and feet of Jesus Christ."

2024 has been a year of focus and partnerships. We are working dilligently to build relationships and connect our clients to services that meet their needs.

In May, Soul to Soul attended a prison re-entry simulation. This was an eye opening experience for Lynne and Jenn as the simulation showed how difficult it is to enter back into society after serving a long-term sentence in prison. Each person started with assigned documents and a little cash. While Lynne was able to navigate some of what life throws with what she was given, Jenn was unable to make ends meet through the struggle of re-entry. This is often something everyday society does not consider. The team plans to continue working with these programs to learn to best assist clients who are in this situation.

Soul to Soul maintains strong partnerships with many non-profits within the community. We work together to serve those who are in need. Lynne is hosting a weekly yoga class at Amy's House. Jenn and a team delievered breakfast meals with Moms and Munchkins. Helping Hands provided finances for cell phones for clients. We are thankful to serve alongside such incredible ministries who all work to be the hands and feet of Jesus.

"Truly I tell you, whatever you did with the least of these my brother and sister, you did for me." Matthew 25:40
