Founder's Minute

Create in me a clean heart, Oh God, and
renew a right spirit within me.

Tables of Grace Vision Dinner

Soul to Soul Outreach hosted our first vision dinner on March 13. We have so much appreciation for everyone who attended, volunteered and donated to make a fun and informational evening. We thank Daniel Dryna for sharing his story as a neighbor experiencing homelessness. He did an incredible job speaking for himself and received a standing ovation from the audience. You are awesome, Daniel! You are doing it!

Partner with us!

We are a local nonprofit reliant on the involvement of our community to change lives. Use the QR codes to become a monthly donor or to volunteer. Every little bit helps to change a person's life. If 10 people donate \$5 a month, that's \$50! That's work boots, an employment uniform, food for a week at Aldi, 5 loads of laundry.

Better Together

You Matter. Make a Difference.
